

## Academic Programs: Summer College

Albion Summer College offers undergraduate courses taught by members of the Albion College faculty. As during Albion's regular school year, the program features personal attention, small classes and modern educational facilities -- but at less cost.

Albion Summer College offers opportunities to currently enrolled Albion College students to accelerate academic programs, to relax a tight course schedule, or to raise grade point averages. Guest students from other colleges are welcome.

All academic policies are enforced during summer school.
