

## Friends of the Library

---

Stockwell-Mudd Libraries  
602 E. Cass Street  
Albion, Mi 49224  
517-629-0285

Thank you for your support

Dear Library Friend:

Each year we invite current, past, and potential members of the Friends of the Albion College Library to support us through membership in the Friends group. The role of the Friends has traditionally been to support special activities, services, and collection development beyond the limits of our operating budget. The past generosity of the Friends has provided valuable supplemental resources for our students. Now we are asking you, as a library supporter, to consider joining or renewing your membership to help us maintain the highest possible quality of our collections and services.

Your support of the library is particularly important now in these economically trying times and at a time when the costs of library materials and services are continuing to increase. We would welcome gifts or endowment contributions to help us maintain our collections. With the help of Friends of the Library, it may be possible to fulfill our responsibility both to provide the latest information and to preserve important artifacts of our history.

Please take a look at our donors' page on the library's website.

<http://www.albion.edu/library/friends/>

Also, suggestions and ideas about ways we could improve library services are always welcome.

Sincerely,

John Kondelik  
Director of Libraries

## Invitation to Join the Friends of the Albion College Library

The Friends of the Albion College Library is a group of library supporters who work together to promote and enrich the Albion College Library. The Friends group provides a means for members to share their interest in books and learning, while participating in the growth of the library by promoting and sponsoring cultural programs and events. These events often highlight the library's collections and the role the library plays in the education of our students.

In the past, the Friends have provided financial support for special projects that are outside the scope of our regular operating budget. Now, we are asking for your support so that we can continue to maintain high quality collections and services. For example, one \$50.00 Friend membership will allow us to purchase two DVD's or two trade books or one University Press title. If you are already a member of the Friends of Albion College Library, we thank you for your support and urge you to renew your membership. If you are not a member, we cordially invite you to join our group.
