Cymbal Symbol Guide

67

Cym.

Regular crash  
Hold to next note then muffle.

Short Crash  
Choke Immediately

Let crash ring until  
a rest is noted.

finish crash with choke

68

Cym.

hi-hat chic  
R over L

Sizzle hats  
Hold until next note or rest

sizzle and bring hats together for  
choke sound on the next staccato  
note.

Taps  
hold one cymbal vertically  
and tap the edge with the  
other cymbal

**R=hold left stationary and crash/tap with Right Cymbal, usually softer dynamics**

**L=crash with Left Cymbal as above**

**R/L=crash with both cymbals, usually louder dynamics**

**Arrows up and down = finish crash with upward or downward circle with the noted hand (R, L or R/L) for visual effect.**
