WARNING

Under the Michigan Equine Activity Liability Act, an equine professional is not liable for an injury to or the death of a participant in an equine activity resulting from an inherent risk of the equine activity.

Welcome to the Indoor Jumper Schooling Shows hosted at the Nancy G. Held Equestrian Center! We hope you will be pleased with this indoor show's amenities. We are thrilled to offer you, our friends in the local and regional equestrian community, the opportunity to school, train, and show your horses throughout the "off-season." On behalf of our staff and students, we hope that you find our facility to be accommodating, our courses to be challenging, and the competition to be what you need to help keep you sharp for the summer outdoor competition season.

Thank you for your support and good luck!

CLASS DESCRIPTIONS

“Blue Ribbon” classes will run all day at height. Rounds are not timed and placings are not awarded. Riders, be sure to specify at In-Gate when you are beginning a Blue Ribbon round. All clear round rides are awarded a blue ribbon upon completion of their round.

“Add Back” classes (#’s 002, 006, 010, 014, 020, 024, 028, 032) award prize money to the top three placings and is determined based on the number of entries in the class. There must be at least three entries in the class to award prize money. Twenty-five percent of the total amount received from entries for that particular class will be divided into prize money and awarded to the top three placings. Third place receives 20%, second place receives 30%, and first place receives 50%.

Table IV.1 – One round. Competitor with least amount of jumping faults and closest to the optimal time wins.

Table IV.2 – Competitors with zero jumping faults in the first round will move on to the jump-off round (stay in the arena after round 1 to do your jump-off). Competitors with the least amount of jumping faults and closest to optimal time wins.

(Official descriptions of Table rules may be found in the USEF rulebook.)

DIVISION CHAMPIONSHIPS will be awarded at the last show day of the series (~~March 22~~ May 31, 2020). High point awards will be given out to the Champion and Reserve Champion point earners in each of the class divisions. “Divisions” are defined as sets of classes at certain fence heights (Example: Classes 001, 002, 017, 018 are all part of the Lil’ Midget Jumpers crossrail division.) If less than six competitors compete in any given class, only half of the available points will be awarded for that class. Points are awarded as follows: 1st place = 7 points, 2nd = 5pts, 3rd = 4pts, 4th = 3pts, 5th = 2pts, 6th = 1pt. Horse/rider combos are only eligible to accrue points in the highest level divisions that they compete in during the entire series. If any horse/rider combo competes in a higher level division than they have already competed in here this season, their points for the lower level division(s) will be erased.

CLASS CHANGES

Class changes will be allowed as time and space permits at the show management's discretion. Class change requests must be made with the show secretary.

SCRATCHES/REFUNDS

After closing date, stall fees are non-refundable.

Classes that are scratched on or before the closing date will be refunded. Once a class is underway, horses not shown in classes in which they have been entered forfeit their entry fees. Proper notification of the scratch must be made in the show office before the start of the class. Full refunds (minus a \$10 scratch fee) will only be issued when the scratch is accompanied by a certificate from a veterinarian. If horse becomes injured or ill during the event resulting in scratching from subsequent classes, \$10 scratch fee will apply and class fees will be refunded though vet certificate is not required in this case. If no veterinarian certificate is provided and no replacement class is entered, the entry fee will be forfeited.

STABLING

A limited amount of permanent 12' x 12' and temporary 10' x 10' stalls are available for each show at a cost of \$75 for the weekend (arrivals allowed 2pm on Friday or after). Seasonal stalls may be purchased for \$270 (8 days of showing). Top priority for stalls will be given to seasonal stall holders. Single weekend stall requests will be first come, first served until at capacity. No stalls may be reserved without complete entries and pre-payment, and stall requests must be made by each show's closing date. Stall fees are non-refundable after the closing date.

The use of automatic waterers in the stalls is prohibited; competitors must provide their own water buckets. Additionally, the use of nails, screws, staples, tape, or any other items that may cause permanent damage or defacement to the stables is strictly prohibited. Failure to comply may result in a fee for damages.

Trailers for horses being stabled must be parked in the front lot by the East Wing stable block to allow room for the day haul-ins in the back West Wing parking lot.

Please bring your own stall cleaning tools. Use of facility's equipment is prohibited.

Front entrance security gate is set to automatically close at 9:30pm. If you are still on the property, the gate will open to let you out (just pull up close enough for it to sense your vehicle but far enough back that it can swing open). If your horse is stabled here for the show and you are arriving late or need to return to the barn after 9:30pm or before 6:00am when our staff arrives, please call Albion College Campus Safety at (517)629-1234 so an officer can come open the gate for you.

BEDDING/SHAVINGS

No initial bedding will be provided; baled shavings are available for \$8 per bale. Shavings ordered on entry forms will be in the stalls upon arrival. Shavings may also be ordered at the event with the show secretary during show office hours as available.

FRIDAY ARRIVAL

Overnight stabling horses may arrive after 2pm on Friday. (Please see also “Schooling” section of this prize list.) For Friday evening arrivals, please send Coggins ahead of time (see also “Health Requirements” section). See info on security gate under **Stabling** section if arriving late.

HEALTH REQUIREMENTS

All horses must be accompanied by a current negative Coggins test (EIA) and proof of vaccinations (see note below). Coggins certificate must clearly show the horse’s name (same as entry form), the date of the test, and the name of the approved laboratory where the test was conducted. A copy of this test must be on file with the show secretary BEFORE unloading any horse at the facility. A negative Coggins is considered current if obtained within the 12 months prior to the horse show date.

HAUL-INS

Class sizes and progression updates will be posted on Facebook prior to and during the show. (Facebook page: @AlbionCollegeHorseShows)

SCHOOLING

Schooling and lunging are permitted in the designated schooling area of the indoor arena starting at 6 p.m. on Fridays and throughout the show weekend. Hacking (but no jumping) will be permitted in the competition area of the indoor arena during schooling hours. Specific schooling hours will be posted closer to the show date (TBD). Please be considerate of other riders/horses if you are lunging. Sand outdoor arena is available for lunging, too.
