

Biology Major Coursework Available at Kalamazoo Valley Community College

The following courses (8 Units) are required to complete an Albion College Major in Biology (Note: Not all major coursework is available at Kalamazoo Valley Community College, but courses completed at Albion College may be reverse transferred to KVCC for the completion of a KVCC Associate Degree). Albion College expects that 6 of the 8 required units will be completed at Albion College. Transfer students may consult with the Albion College Biology Department to apply additional Biology transfer credit.
