***College Hymn

“Albion, Dear Albion” Ruth and Louis Rowland

Albion, dear Albion,
hear our song to thee!
Let our joyous praise be heard
Over land and sea.
Of thy noble college halls,
of thy campus fair
Sing we with gladness
Here and everywhere.

Albion, dear Albion,
let thy pure light shine
In the hearts of noble ones
Radiantly sublime—
All who in thy college halls
learned thy precepts rare,
Let them sing praises to
Alma Mater fair.

Albion, dear Albion,
fondest memories
Light our pathway far from home
Through the distant days.
So we now our homage bring,
breathe this fervent prayer:
Father in heaven,
Keep our Albion fair.

Albion College Concert Choir

***The audience is invited to join in the singing.

Ceremonial Flag Bearers

The flag bearers for today's ceremony are the students with the highest academic achievement in their graduating class.

History of the Senior Class Horn

In 1877 the twelve members of Albion College's senior class launched the senior class horn tradition. The horn was to "remain in the possession of the class that could best rally to its rumbling blare" (*Pleiad*, May 29, 1923). The large tin megaphone, seven feet long and painted with Albion's school colors, was then passed on to the Class of 1878 with a warning never to let an underclassman handle the horn. In 1896, the senior class surrendered its rights to the horn and presented it to the Albion College Oratorical Association. For years, it was then used as a trophy for the class who had provided the winner of the prestigious class oratory contests. For each contest, a metal plate bearing the name of the winner was mounted on the horn. After the discontinuation of the oratory contests in the mid-1950s, the horn was abandoned and stored in the Albion College Archives. The horn was refurbished in 2000 and was dedicated, along with a new showcase and plaque, in 2003 as the senior class gift. The class horn tradition now continues as the horn is sounded by graduating seniors prior to the student speaker's remarks at the commencement exercises.

About Today's Musical Selections

Today's selections by the Albion College Symphonic Wind Ensemble and Concert Choir were chosen by the graduating seniors in the respective ensembles.

Post-Ceremony Meeting Areas

Faculty who wish to greet students after the ceremony will gather on the Quadrangle at the following locations:

- Humanities (English, Modern Languages, Philosophy, Religious Studies)–in front of Vulgamore Hall
- Social Sciences (Anthropology and Sociology, Communication Studies, Economics and Management, Ethnic Studies, Ford Institute, Gerstacker Institute, History, International Studies, Political Science, Psychology, Women's, Gender, and Sexuality Studies)–in front of Robinson Hall
- Fine and Applied Arts (Art and Art History, Education, Exercise Science, Kinesiology, Music, Theatre)–in front of the Kellogg Center

- Natural Sciences (Biology, Chemistry, Geological Sciences, Mathematics and Computer Science, Physics)–in front of the Observatory
- If commencement is held indoors, space limitations will not allow for a specific place to greet students after the ceremony.

Academic Honors

At the time of commencement, we honor those graduating seniors whose excellence in scholarship warrants special recognition. Thus, the commencement program makes a permanent record of the outstanding achievement of those seniors whose names are listed with honors.

On a grading system in which 4 points represents an "A" and 3 points represents a "B," the conferring of summa cum laude signifies that the graduating senior achieved an accumulative average of 3.9 or better. Magna cum laude signifies an average of 3.75 to 3.889. Cum laude signifies an average of 3.5 to 3.749.

For Albion College graduates receiving the Honors described above, special cords are worn around the neck of the gown. Gold signifies summa cum laude, purple indicates magna cum laude, and white represents cum laude.

Departmental honors means that the student has been invited by his or her major department to write a senior thesis and that this was of such merit that the department and the Faculty Honors Coordinator have unreservedly approved departmental honors for that graduating senior.

The designation, with Albion College honors, means that the student has participated in the four Prentiss M. Brown Honors Program Great Issues Seminar courses, has maintained a minimum 3.5 GPA, and has culminated the academic experience with a major thesis project.

Academic Costume

The pageantry and color at Albion College's commencement exercises reveal the academic achievement of the participating faculty, administration, and students. Gowns, hoods, head coverings, and even tassels provide a convenient means of determining academic degrees, as well as the institution conferring the degree.

There are three types of gowns. Those worn by the bachelors are black with long, pointed sleeves. Gowns worn by masters are also black and have oblong sleeves. Neither gown has any trimmings. Doctors' gowns are usually black, trimmed on the

front with velvet. Each sleeve has three velvet bars which may vary in color, depending upon the type of doctoral degree. At some institutions the gowns may be in the school's colors, rather than black.

Hoods are made of material identical to the gown and are lined in the official academic color or colors of the institution conferring the degree. Colors of the velvet edging indicate the subject of the degree.

Caps come in several versions—usually square-topped—including the flat mortarboard and the soft fabric cap. A long tassel is usually fastened to the middle point of the cap's top. The tassel is black for bachelors, while masters and doctors have color appropriate to their academic disciplines. Albion's graduating seniors may move the tassel from right to left upon conferral of their degrees.

Leadership and Service

We salute those seniors who have demonstrated exceptional leadership and service, as evidenced by election to the following:

Mortar Board

Mortar Board, a national honorary society, was established at Albion in 1941 to honor students who have been outstanding in scholarship, leadership, and service.
