

ALBION COLLEGE BLACK ALUMNI NETWORK

Spring 2023

Hey Black Alumni!

We are excited to welcome incoming President of Albion College, Dr. Wayne P. Webster. Dr. Webster joins us from our Great Lakes College Association neighbor The College of Wooster, where he served as interim president and past-vice president of advancement. We've been waiting on this announcement for sometime, and are excited to build with a leader whose record of fundraising includes the launch of Wooster's Black Student Equity Fund and opportunities to provide more equitable access to experiential learning resources for all students! Dr. Webster will join us at the Black Alumni Summer Kickback on July 22 in Detroit! Save the date! Your formal invitation is forthcoming.

2023 KENTE GRADUATION

Thank you for all of the ways you supported our seniors through mentoring, modeling and giving back to Albion College. Read more about our Kente and other Affinity Graduation ceremonies.

SUMMER BRIDGE

We are launching our first-ever Summer Bridge program, a series of experiences that will connect a competitive cohort of incoming Black and Brown first-year students to College supports that promote inclusive STEM excellence.

HAPPY BIRTHDAY!

On April 27, 2023, we celebrated Dr. James L. Curtis '42 101st birthday. Dr. Curtis is the heart and inspiration behind two scholarships, countless awards, and the James L. Curtis Institute for Race and Belonging.
