# MOVE-IN CHECKLIST

## MAKING DAY 1 A SUCCESS

### ☐ Meal Plans

Students are assigned one of three meal plans: 15, 18, or 21 Block Plans, which can work to “swipe” at a number of places across campus. If you have dietary restrictions, be sure to email [dining@albion.edu](mailto:dining@albion.edu) to set up a meeting with the College dietitian.

### ☐ Dining Dollars

Residential meal plans come with Dining Dollars that can be used in place of cash at on campus dining venues.

### ☐ Albion 1 Card

Your student ID - “Albion 1 Card” helps with a number of things on campus. This will help you access your room and dining venues.

### ☐ Brit Bucks

Students and family can also add ‘Brit Bucks’ to an Albion1Card to be used in select restaurants and stores in town and on campus.

### ☐ Community Assistant

Our Community Assistants (CAs) are your teammates for finding the right resources around campus, and will be happy to share their experience in navigating the Albion College experience.

### ☐ Check this after attending your first hall meeting.

### ☐ Wi-Fi

Every residential building has wifi available in rooms and lounges. For more information about accessing network and device capabilities, scan this QR code.

### ☐ Neighbors

We recommend keeping your door open in the first few weeks, and practice your hallmates’ names so you can greet them around campus.

### ☐ Parking

Campus Safety is located across from Seaton Hall and coordinates parking on campus. Students who have purchased a parking pass will receive a designated parking lot assignment and a car decal.

### ☐ Laundry

Laundry facilities are located in each residential building, and are free for student use.

### ☐ Facilities

Our maintenance and grounds teams are dedicated to your safety and work hard to make campus spaces look and feel great. Complete the Room Condition Inventory by scanning this QR code upon arrival to your room to note any fixtures not working properly.

### ☐ Post Office

Your mailbox is located in the Kellogg Center. Affectionately known as your “KC Box,” mail addressed here will be available for pick up with your key. Packages can be retrieved during business hours.

### ☐ Books and Class

Log on to ACIS to view the right books and meeting locations for your class. Ask in advance and your CA might give you a tour to ensure you can find all of your classes!
